YOU NEED TO KNOW ABOUT DINING ON CAMPUS

www.alleganymetz.com 

Green is our favorite color—we're committed to reducing food waste and using reusable resources whenever possible.

Most of our produce, eggs, dairy products, and baked goods come from vendors within 150-miles of campus. Now that's fresh!

We're here to serve you. If you have menu suggestions, miss a recipe from home, or have a food aversion, just let our team know.

Flex Dollars may be purchased and used dollar for dollar at the Allegany Cafe. This means you never have to worry about having cash on hand when you want to eat. Plus, for every \$100 you purchase, we'll give you an additional \$10, and you can use your financial aid to purchase Flex Dollars.

Whatever you're hungry for the Café has something to satisfy any craving. In addition to a wide variety of breakfast items, we also offer a fresh salad bar, scratch made soups, and a large variety of hot and cold options that reflect your tastes.
